

Slow Food in the Tetons Cooking and Farming Camp Summer 2022

What is Cooking and Farming Camp? A hands-on week that immerses campers in planting, cultivating, and harvesting in the garden and preparing farm-to-table dishes in an outdoor kitchen. Additional experiences may include building composting systems, exploring the hidden life within the soil, and developing deeper connections within the food system.

- * Five, one-week camps will be offered in 2022
- * Camp hours are Monday - Friday, 9:00 a.m. to 3:00 p.m.
- * **NEW LOCATION IN 2022:** Calico Restaurant/Garden, 2650 Moose Wilson Rd.
- * Each week will include a family feast on Friday, where campers and their guests enjoy a farm fresh meal and celebration of the week's events.
