

2022 Teton Farmer Fund Grant Application

- 1. Name of farm or ranch financially responsible for grant:**
- 2. Contact (name/email/phone):**
- 3. Title of Grant Project:**
- 4. Amount Requested:**
- 5. Project Start and End Dates:** *Must within the January-December timeframe of the grant cycle.*

Please use the format below to tell us about your project, deleting the instructions as you go.

- 6. Mission, Goals and Values of the farm or ranch:**
- 7. Farm or Ranch Need:** *Up to 100 words. Describe the need for your project, including magnitude and urgency.*
- 8. Project Description:** *Up to 500 words. Describe the project. Explain what you are trying to accomplish and how grant funds will be used. How does this project tie into larger farm or ranch goals? How will it contribute to the local and regional food systems?*
- 9. Evaluation Criteria:** *Up to 100 words. How will you measure the success of your work and impact on the farm or ranch system?*
- 10. Project Deliverables:** *Please list (in numbered form) and describe the project deliverables that will be accomplished within the project timeframe. Refer to the Example tab in the Application Budget spreadsheet for examples of project deliverables. Please describe the project deliverables in measurable terms that directly correspond to those listed in the Project Budget. Note that when submitting the Grant Report, grantees will*

need to speak to the degree each project deliverable was completed and report on funds expended for each deliverable.

11. Project Budget: *Please fill out the Grant Application Budget, included as a separate Excel Spreadsheet document. You will find three tabs in the document: Instructions, the Application Budget, and an Example.*

12. Financial Sustainability of Project: *If awarded grant funds, what type of financial upkeep will this project require once grant funds have been disbursed? How will that be funded?*

If you have questions or need further information, please contact us.

Please submit one copy of your application to Lucille Rice at lucille@tetonslowfood.org.
